

We change our menu often, some of these dishes may not be available

Welcome to our Home Vineyard, one of our three organic, hillside vineyards. We're set on expressing the true character of each of our Home, Netherwood and Damsteep vineyards.

That means healthy organic grapes, vineyard derived yeast, no additives or fining, minimal sulphur at bottling and where possible, no filtration. As for the food we serve with our wine, we know where it grows, mostly in North Canterbury, and we know the growers and their patches and some useful foraging spots.

Our growers keep us in tune with what's in season and provide us with the freshest produce, being so close. We know that no sprays have been used to grow the vegetables and fruit, and the animals were free range and well looked after.

We hope you have fun.

Cheers —
